ConnectLine™ TV Adaptor Quick Guide
for Output Jack Setup

For more detailed instructions
please see the Installation Guide
enclosed with your system.

Power Outlet

Box 1

TV Adaptor
Power Cord

STEP 1: Plug the
power adaptor into
the power source.

STEP 2: Plug the
power cord into
the power adaptor
marked A.

STEP 3: The light
will be green when
power is on.

TV Cord

Box 2

TV cord

STEP 1: Locate
audio output jacks
on back of TV
(typically labelled
Audio Out).

STEP 2: Plug the
TV cord into the
output jacks as
shown.

STEP 3: Plug TV cord into adaptor marked B.

Streamer & Pairing

Streamer

Pairing
button

NOTE: Before
pairing, charge
Streamer or
attach to power
supply.

STEP 1: Place
Streamer close
to adaptor. Press
pairing button until
blue light flashes
rapidly.

STEP 2: Pairing
is complete when
orange status light
on TV adaptor
comes on (about 1-2
minutes).

STEP 3: The TV
adaptor can be
mounted to the
TV with the Velcro
provided.

Box 3

Alternative Connections:
Use the Audio Jack Adaptor or Microphone (Box
3) if the audio output jack is not available. See
enclosed bookletf or installation instructions.

Power Outlet

Box 1

Phone Adaptor Power Cord

STEP 1: Plug power adaptor into power source.

STEP 2: Plug the power cord into the power adaptor as shown.

STEP 3: The light will blink red when power is on.

Phone Cord Connection

Box 2

Tele Cord

STEP 1: Unplug phone line from the phone or cordless phone base station.
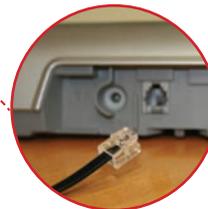

STEP 2: Plug the phone line into Phone adaptor marked LINE (black socket).

STEP 3: Other end of cord remains in the wall jack.

STEP 4: Plug the Tele Cord into the Phone Adaptor marked PHONE (yellow socket).

STEP 5: Plug the other end of the Tele Cord into the phone or base station.

Streamer & Pairing

Streamer
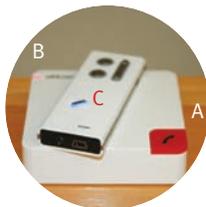

Pairing button

NOTE: Before pairing, charge Streamer or attach to power supply.

STEP 1: Place Streamer close to adaptor. Press pairing button until blue light flashes rapidly.

STEP 2: Press red button (A) on Phone Adaptor until red status indicator is flashing (B).

After 5-10 sec both the red light (B) and the blue (C) will be constant. Blue light will then fade to off (C).

STEP 3: Verify pairing by pressing the phone button (A) on streamer. The red status button will flash (B).
