

OTICON HEARING DIARY iPhone App

The Oticon Hearing Diary is available as an iPhone App, free of charge, from the iPhone App Store. It also works on your iPad. Now you can rate your important listening situations, and send your feedback immediately to your Hearing Care Professional. This App is quick, intuitive, practical and discreet and helps you track your progress.

1. Access App Store

2. Search for
Oticon Hearing Diary

3. Access Diary

To Download...
